Prices are based on first quality stock, vigorous rhizomes, free from disease and true to name. Please note, however, that some varieties have naturally small rhizomes.

We can not undertake responsibility for the growth or flowering results. All stock is in good condition when shipped, and with proper care it should thrive in any normal climate.

Shipping is done in July and August unless otherwise ordered.

Orders of less than five dollars will be sent express collect. Please make check payable to ANSON W. PECKHAM.

We are agents for the Williamson Introductions (Longfield Iris Farm), J. H. Kirkland, and C. P. Connell.

Write for wholesale rates on large orders or for quotations on varieties not listed.

Be sure to order early so that you will not be disappointed.
